

## **Retreat Information**

0907

**September 9, 2007**

Each year, NYSO holds a retreat at Castle Hill/Crane's Beach in Ipswich, for members of Senior Orchestra and Intermezzo Orchestra – a day that includes music, barbeque lunch, games and fun at the beach.

**This year the retreat will be held on a Sunday afternoon to accommodate more of our student's late August schedules.**

During the summer, students will receive a packet that includes their music for the fall semester, as well as information regarding the retreat: location, date, time and schedule for the day. Students are to bring their music with them to the retreat.

Students in both Senior and Intermezzo Orchestras are strongly urged to attend this kick-off into the new concert season, both for the opportunity to rehearse their music for the first time with the entire group, as well as having the chance to socialize with other members of their orchestra. If unable to attend, students must e-mail or phone Trudy Larson or the Office Manager, Sally Ubnoske.

Parents are invited to attend, for all or part of the day. Volunteers are needed, and your help is appreciated.

Future plans for a Senior Orchestra weekend retreat are under consideration.
